Beer, Coolers, and Low-Alcohol Spirits Minimum Retail Prices

ALCOHOL CONTENT (by volume)	MINIMUM RETAIL PRICE
< 4.1%	$3.045 per litre
>= 4.1% but < 4.9%	$3.089 per litre
>= 4.9% but < 5.6%	$3.170 per litre
>=5.6%	$58.870 per litre of absolute alcohol
Draught Beer (in a container with a capacity of 18 L or more only related to volume not alcohol content)	$2.456 per litre

Note: The MRP for beer, coolers and low-alcohol spirits (containing less than 40% alcohol by volume), is the minimum retail price per litre net of the container deposit, the environment levy and the GST and ORST on the environment levy.
