# NEWS FLASH

## **ATTENTION LCBO/VINTAGES Suppliers**

### **COMING SOON!**

**NEW User-Friendly Letter of Commitment module on LCBO's New Item Submission System (NISS).**

The **LCBO** is preparing to launch the updated version of NISS so that **suppliers will be able to receive information more promptly, and also be able to review, approve and respond electronically to LOCs — all through a new LOC module on NISS.**

**This module will also include a feature that enables agents and suppliers to check previous LOCs, applications and replies.**

**You can request access today by clicking on the link below.**

As we near the launch date, and **upon approval of your request, you will receive confirmation, a User ID and a temporary password. Please note you will need your LCBO vendor number to complete your request; please contact your agent if you do not know it.**

**Please click here.**

**Thank you.**
